RE: Fresh Fruit and Vegetable Program Sign-up

FRESH FRUIT AND VEGETABLE ENTITLEMENTS have been determined for each school. In order to give everyone their fair share of the fresh fruit and vegetable entitlement money, each school will receive a dollar amount that is equal to approximately 12 percent of their Group A commodities (amount at the bottom of Notice of Shipment). Participation in the fresh fruit and vegetable program is **OPTIONAL** and also dependent on vendor availability. The amount of Group A commodities that you receive will **NOT** change regardless of your participation in the fresh fruit and vegetable program. Please indicate below your participation choice and mail or fax your response to Kennie Johnson by Friday, **May 31, 2007**.
